Reds 'Befuddled' By Stalin Attack

By the Associated Press

Washington

Director Allen W. Dulles of the Central Intelligence Agency says he believes the Soviet people are "pretty badly befuddled" by the Kremlin campaign to downgrade Stalin.

Mr. Dulles said the new Communist leadership is trying to destroy a well-entrenched legend and added: "I don't believe you can do that to a people. They haven't got any school books any more. They haven't got any history books. They've got to change the whole business."
